

The ReStores

Habitat for Humanity Toronto's ReStores sell quality new and gently-used renovation materials, donated by manufacturers, renovators, contractors, builders, and the general public. All items are sold at 50% or less of the original cost. The Restores are open to the public.

ReStore revenues cover 100% of the administrative costs of Habitat for Humanity Toronto. As a result, every dollar donated to Habitat for Humanity Toronto goes directly to building homes for families living in need.

To donate renovation materials, such as flooring, lumber, plumbing fixtures, windows, electrical fixtures, hardware, sinks, bathtubs, kitchen cabinets and doors, please call (416) 755-7353, ext. 230. We can help you tear down, rip out, or load your donation, and can issue you a tax receipt for its appraised value.

What does every family need?

Independence. Dignity. Empowerment. Hope.

Habitat for Humanity builds homes – and hope – with families living on the margins.

Established in 1988, Habitat for Humanity Toronto is a non-profit, non-denominational Christian housing organization. We welcome all people without discrimination to join us as we build simple, decent, affordable homes in partnership with low-income families. Active in over 100 countries, Habitat for Humanity builds **one home every 10 minutes.**

Please help us eradicate poverty housing in the GTA.

Habitat for Humanity frees families from the struggles and indignities of living in inadequate shelter. A Habitat for Humanity house opens doors to increased self-esteem and self-reliance.

With the foundation of a safe, healthy, and affordable home, children do better in school and families set higher goals for their futures. More attention can be devoted to jobs, education, and community.

In the process of bringing people together to build, families flourish and neighbourhoods are revitalized. That's why your gift to Habitat for Humanity

Toronto is so important!

Your gift to Habitat for Humanity Toronto helps families who:

- currently live in substandard housing
- are willing to volunteer 500 hours of “sweat equity”
- will repay a zero-down payment, interest-free mortgage over 25 years

Every dollar you give goes directly toward building homes with families in need.

Mortgage payments from Habitat homeowners go directly into a trust to build more Habitat homes. **For every 15 homes we build in the GTA, we can build one home per year from the mortgage income alone.**

Our model allows families to help families. Instead of a Hand-out, Habitat for Humanity offers a **Hand up** to families struggling on the margins.

We are counting on your support!

Please give generously to Habitat for Humanity Toronto today at (416) 755-7353 or visit www.Torontohabitat.ca.

All partner families participate in a self-sufficiency program designed to provide them with the skills to become successful homeowners. That means your gift has lasting impact, affecting the lives of these homeowners, their children and their entire neighbourhood.

Volunteers are the heart and soul of Habitat for Humanity.

Whether they contribute a day, a week, a month, a year, or a lifetime, volunteers put our mission into action. Alongside future homeowner families and donors, volunteers provide virtually all of the labour for building our homes. This allows us to keep construction costs at a minimum. Volunteer opportunities are also available in our office, ReStores, and committees. Visit www.torontohabitat.ca or call (416) 755-7353 to learn more.

We receive no government funding for home construction.

We are **totally reliant** on the generosity of individuals, corporations, and foundations. Without the compassion of people like you, we could not make the dream of homeownership a reality for families in need.
